## DOUBLE POINTS WILL BE AWARDED TO THE TITLE STANDINGS NOMINATION MANAGEMENT

Nominations Platform: Campdraft One – [campdraft.com.au](https://campdraft.com.au)

Nominations Open: Monday 10 March 2025 7:00am

Nominations Close: Sunday 16 March 2025 5:00pm

Nominations Payment Due: Monday 24 March 2025 5:00pm

*For the convenience of both competitors and our committee, we are only accepting payment via Direct Deposit.*

Program is ACA Affiliated & run in accordance with the 'General Information Competition Rules & Guidelines.'  
All competitors must be financial ACA members. The ACA Membership Season is from 1 January to 31 December 2025.  
Casual Memberships will not be accepted for the ACA National Finals 2025.

Horses must be registered with ACA to nominate (horse registrations can be completed via members' Campdraft One profiles).  
**THE COMMITTEE RESERVES THE RIGHT TO CHANGE THE PROGRAM WITHOUT NOTICE.**

Camping: Limited powered sites, we suggest packing generators. Taped off areas will be removed by the committee.

When nominating through Campdraft One, please ensure to enter your truck/vehicle details on your Campdraft One profile.  
This is to assist the committee with allocating parking/camping room.

# All the best for the quest, Jayme!

We were excited to cheer on Jayme Farr, who represented Team ACA in the Classic Ladies Foundation Young Ambassador Quest.

Repping her new ambassador pack, Jayme travelled to Tamworth at the end of January where her exciting journey began at the Nutrien Equine Classic Campdraft and Sale.

Stay tuned for the next magazine, Edition 278, where you will be able to read about Jayme's experience as ACA's CLF YAQ Representative!

## Naming Right Sponsorship NOW OPEN

Kate Heading 0427 487 750 or Kate Jones 0427 232 978

**This Series is for horses 4 years of age and under competing in Futurity Campdrafts**

The Future Stars Futurity Series is an independent committee working alongside the NCCA and their Member Associations being ACA, SCA, GCA and ABCRA, as well as the ASCA who incorporate the rules and guidelines of the NCCA when Campdrafts events are run. Our core purpose is to facilitate a futurity horse competition where the welfare of the young horse is our priority.

### Rules:

- This Series is for horses 4 years of age and under competing in Futurity Campdrafts that must be affiliated with one of the following Campdraft Associations; ACA, SCA, GCA, NCCA, ABCRA or ASCA.
- There are no fees or registration requirements.
- The Series runs from 1 August to 31 July the following year, called the 'competition year'.
- The horse is considered to be 5 years old and therefore excluded from this Series on its actual birthday.
- If the horse is started in an open age event this will eliminate them from this Series.
- Open age events are explained in depth on the next page.
- A horse can gain points only from their first six (6) Futurity Campdraft starts that the eligible horse competes in that competition year, regardless of the committee's chosen affiliation.
- Campdraft Central Association (CCA) Futurity Campdrafts will be included in the horses first six starts.
- You do not nominate your six starts. We strictly monitor the horses first six starts.
- A horse can compete in consecutive competition years as long as that horse remains age eligible and does not start in any open age competition.
- At the end of the competition year, all horses that are eligible for the next competition year start on a clean slate basis for venues and points, but again only gain points from their first six starts in that competition year.
- The Futurity horse can gain Future Stars points at 'un-restricted' Futurity Campdrafts, as long as the horse does not compete in an open age event.
- We encourage committees to explicitly outline the condition of their Futurity Campdraft on their program, i.e. For horses 4 years of age and under that

have not been started and does not start in any open age events.

- If a horse and rider combination is competing and places in a Futurity Campdraft affiliated with the ACA, SCA, GCA, NCCA or ABCRA then they automatically qualify to gain points in the Future Stars Futurity Series, as long as:
  - The committee hosting that Futurity Campdraft utilises an appropriate electronic nomination and scoring program e.g., CampdraftOne, Campdraft Central, Campdraft Coordinator or iComplete.
  - The horse is 4 years of age or younger, and has not been started in any open age events.
  - The Futurity Campdraft is not affiliated with the CCA. In cases where the committee is CCA affiliated, that Futurity event will contribute to your horses first six starts, however you will not gain points in the Future Stars Futurity Series.

### Open Aged Events

- Our committee will adopt the rules and guidelines of the NCCA regarding the status of a horse and event with the exception of Sale Incentive Campdrafts whereby our committee adopts the same eligibility criteria of the ACA and its Rookie Horse competition.
- The ACA regards Sale Incentive Campdrafts as NOT being open age events, and therefore those horses are eligible for the Rookie Horse Series. The Future Stars Futurity Series Committee regards this to be the case too, where Sale Incentive Campdrafts are NOT open age events as these are age restricted events.
- To further explain this, an open age event is a campdraft such as an Open, Restricted Open, Maiden, Novice, Ladies and Stallion.
- An open age event is NOT a Sale Incentive event, Juvenile, Junior, Old Buffers, Teams Draft, Encouragement, schools or training days.
- The winner of the Future Stars Futurity Series will not break status.

### Finals Rules:

- At the end of the competition year being 31 July, the Top 20 horses are invited to the Future Stars Futurity Series Finals, run at a host committee campdraft forming a part of their program.

- There are two full rounds at the Series Finals, with each horse starting in both rounds regardless of their first round score.
- This is an aggregate competition, where points from the first and second round will be added to the points gained from the competition year.
- The points awarded at the finals are explained below. Where competitors tie in the round, the points for the places will be added and split equally between tying competitors as per ACA points and prizemoney rulings.
- There will be no run offs for first place in either of the rounds.
- The only instance where a run off will take place is if there is a tie for first place in the overall series.
- The rider at the finals must have competed on the horse at least once throughout the horses first six starts in their competition year. However, if there are extenuating circumstances the Future Stars Futurity Series committee will decide upon the ruling in that particular circumstance.
- All finals points will be allocated to the 20 finalists in order of their placing, except in the case of a whip in the yard. If a competitors run results in a no score in the cut out yard, then that competitor will receive no points for that round.

### Please Note

Unfortunately the Campdraft Central Association (CCA) is not a Member Association of, and does not incorporate the rules of the National Campdraft Council of Australia (NCCA).

Therefore, you are very welcome to start your futurity horse in a CCA Futurity Campdraft however:

- You will not gain Future Stars points.
- But, that CCA Futurity Campdraft will contribute to your horses first six starts.

This is why we have ALL Futurity Campdrafts listed on our calendar of events, not just those of NCCA Member Associations (GCA, SCA, ACA and ABCRA). We are still tracking horses that start at CCA events so that we can add to your horses starts. You will not be eliminated from the Future Stars Series if you compete at a CCA Futurity Campdraft.
